of higher emoluments or allowance accordingly to S.S. does not appear to be permissible and to promote him to the surgeon grade also is not possible, as his seniors have to be first provided. Hence the most convenient procedure appears to be to ask the S.S. to submit proposals posting the senior most man for charge of the district and posting Mr. Narayana Rao as an assistant surgeon elsewhere.

Mr. Narayan Rao's request for an allowance would appear to be reasonable and in the natural course of things, he should either get a charge allowance or be promoted to the place. There appears to be nothing wrong for a junior officer to claim an allowance when he is in charge of a superior office. Hence if it is decided to continue Mr. Narayan Rao as C.M.O, which is a surgeon's charge, he is accordingly to service rules entitled to charge allowance calculated at 10% of the pay of the lowest grade surgeon in addition to his grade pay. The finance department may in this case be consulted.

It is considered necessary to have a Surgeon in place of an Asst. Surgeon for Palace duty, the scale will have to be raised temporarily and in the vacancy thus created promotion to a Surgeoncy becomes admissible.

In view of the appointment of a full time Darbar Surgeon also myself it is a point for consideration if a variation of the scale can be financially justified.

This may be submitted to Dewan. The question is whether Palace may be requested to release the Surgeon & take an Asst Surgeon instead or if this is inexpedient, whether the scale of Surgeon may be raised temporarily. One or the other is equally essential. In view of the fact, that we have an Asst Surgeon, have a Surgeon, there will even then be one Surgeon short for Dist Charge & it is desirable to increase the Cadre strength. This accounts also for the Nursing in a Specialist, & cannot be dispensed.

The question may be considered in Council of Dewan & Members.

Subject :—

Emoluments of Assistant Surgeons posted as District Medical Officers.

Mr. C.Narayana Rao, Assistant Surgeon, in charge of the office of the District Medical Officer, Kolar, made a representation that he might be promoted to the grade of Surgeons or given an allowance for being in medical charge of the District. He cannot be promoted to the Surgeon's grade as there are seniors above him in the Assistant Surgeon's grade.

According to the order of 13th July 1918 the office of a District Medical Officer belongs to a Surgeon's charge. But it has not been possible to post Surgeons to all the Districts as one Surgeon is on Palace duty and another who is a Specialist is in charge of the Mental Hospital while these two places belong to Assistant Surgeons' charges.

The question of the emoluments of Assistant Surgeons posted as District Medical Officers was considered in Council at its meeting held on the 16th instant and the Council was of opinion that Assistant Surgeons placed in medical charge of Districts may be given a monthly allowance of Rs.50.

The opinion of the Council may be graciously approved.

From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon with the Government of

To

The General Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore..

Sir,

In forwarding herewith the Memorial addressed to Government by Mr.C.Narayana Rao, now District Medical Officer, Kolar, claiming promotion to the grade of Surgeons, I have the honour to state as follows:

Before submitting the Memorial, Mr. Narayana Rao saw me and pressed his claims for promotion to the higher grade or for an allowance for being in charge of a place meant for Officers of the Surgeon's Grade. He was informed by me that there was no case for promoting him to the Surgeons' Grade over several officers who were his seniors and as for an allowance, a recommendation has been made to Government, in connection with the revision of the Assistant Surgeons' cadre, for giving an allowance to Assistant Surgeons whenever they might be made to work in a Surgeon's charge. Mr. Narayana Rao told me that if his emoluments could not be immediately increased, he would rather get into any of the charges meant for Assistant Surgeons according to the Re-organisation Order of 1918. He has followed his personal representation by this Memorial. To give him a cha of retracting, I wrote to him asking whether, in the event of there being no chance of promoting him to the higher grade, he would still insist on his being sent to the charge of one of t dispensaries which are to be placed under Assistant Surgeons.

Letter No. C.10, dated 22nd April 1927 from Mr. C. Narayana Rao, (Assistant Surgeon,) District Medical officer, Kolar District, to the Senior Surgeon in Mysore, Bangalore.

With reference to your Office No.C.3075-1,dated the 16th April 1927, I have the honour to bring to your kind notice that before going ~~xxxyxxx~~ over here in August 1925 on transfer from the Victoria Hospital, I submitted to you personally that I would prefer going to the legitimate charge of an Assistant Surgeon, but you were kind enough to advise me that after having been the Resident Medical Officer of the Victoria Hospital, I should go to ~~xxx~~ a better charge and further told me you would post me as District Medical Officer, Kolar Gold Fields area; but for reasons unknown to me I was posted to the charge of this District, when you so advised me I believed that you selected me for the charge as the better fitted for it. When you went over here on Annual Inspection in December 1925, I requested of you to permit me to submit a representation for the grant of an allowance for holding a District charge which is a Surgeon's charge. You were kind enough to advise me to wait for a time. In the latter part of 1926 I interviewed you at Bangalore and repeated my request and you were pleased to advise me to submit the same. Accordingly, I submitted my representation in this office No.C. 3 dated 29th November 1926 when you were pleased to go here on Annual Inspection in December 1926 you were kind enough to inform that you were thinking over the matter and later on sent me a reply that the re-organisation of the scale of pay of Assistant Surgeons was under the consideration of Government. I submitted a further representation stating that the re-organisation of the scale of pay of Assistant Surgeons would still leave me an Assistant Surgeon holding a Surgeon's charge and requested of you to kindly reconsider my first representation.

When I saw you last on the 11th April you were kind enough to inform me that I should wait for my chance for promotion till all my seniors were provided for and that you could not recommend me for an allowance as the financial Secretary to the Government would

Sir,

I have the honour to bring to your kind notice that - after I entered service in June 1912, seven men, of whom two - Messrs. B.G.S. Acharya and J.C. Noronha and six women, of whom - one - Dr. J. Jhirod, have resigned, have been appointed from time to time in the higher grades. When a separate cadre was formed - for women as per Government Order No. 1964-74 Medl. 52-12-7, - dated 27th July 1920, though only three places in the First - grade of Assistant Surgeons were allotted for them, five were retained. By these arrangements the promotion due to me was delayed.

While reorganising the Department, the Government in their order No. 879-80 Medl. 39-13-4 dated 17th July 1913 have observed " Several responsible charges which should be ordinarily be placed under surgeons are now being held by Assistant Surgeons and also to the fact that the surgeon's charges have been definitely determined " and determined the charges that should be held by Surgeons ; but as an Assistant Surgeon I

been posted to one of the above charges which should be under surgeons without any additional emoluments comensurate with the responsibility of the post. Prior to the reorganisation of the Department, an - - Assistant Surgeon was allowed an allowance when posted for the medical charge of a District.

In the same order Government have further observed that "promotions to and in the grade of Surgeons will be by selection and according to merit".

•I beg that I may be given promotion to the Surgeon's grade as I have been discharging my duties to the entire satisfaction of all my officers under whom I have served from time to time these fifteen years in several capacities.

I have the honour to be,

Sir
